This request is for the above-named student to attend _____ School in _____ School District.

The reason for this request is: _____

- In making this application, I understand that my child must meet acceptable standards of attendance and conduct as established by the school principal. I further understand that a variance will be granted only when appropriate space is available and that the variance may be revoked at any time as a result of discipline, attendance problems, transportation problems, or classroom overcrowding. I accept responsibility for providing transportation for my child. I am aware that variances are granted on a year-to-year basis and must be reapplied for each year. I understand that school-based fees such as for art or biology and PE uniforms must be paid just like any other student living within Washoe County's borders.
- High school athletic eligibility is not granted with this variance request. Application for athletic eligibility must be submitted to the Nevada Interscholastic Activities Association (NIAA) for final approval. Athletic Eligibility (NIAA Regulations):
 - Freshman and sophomore high school students granted variances shall be eligible to participate in interscholastic activities at the sub-varsity level only.
 - Juniors and seniors who are granted variances are ineligible for 180 school days. If a student's variance is revoked, the student loses his/her athletic eligibility for the remainder of the current school year. This also includes 180 school days in any other sport where the student's name appeared on a NIAA roster.
