Re: Retirement

Dear Trustees,

It is with mixed emotions that after forty years of working in the field of education, I am announcing my retirement effective June 30, 2013.

While I am excited about the prospect of having more time with my family, I will miss the close relationship that I have had with the School Board, my colleagues, and students. I believe that together we have provided a quality education for our students.

While the economic times have certainly been challenging, we have maintained quality programs that have served our students so that they have been able to move on to both college and career technical schools. I consider it an honor to have served as your Superintendent. I believe that the current staff and leadership team are dedicated and are prepared to assist with the transition to a new Superintendent.

Sincerely,

Stanford J. Hardeman  
Superintendent of Schools
