CALIFORNIA
DEPARTMENT OF
EDUCATION

TOM TORLAKSON

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

February 27, 2013

Stan Hardeman, Superintendent
Sierra County Office of Education
Sierra-Plumas Joint Unified School District
P.O. Box 157
Sierraville, CA 96126

Dear Superintendent Hardeman:

Subject: 2012–13 First Interim Reports

Pursuant to California *Education Code* sections 1240(l) and 42131(f), we have reviewed your county office of education and school district's First Interim Reports and the accompanying certifications of financial solvency to determine whether they comply with the Criteria and Standards for fiscal stability adopted by the State Board of Education, allow your offices to meet their financial obligations during the fiscal year, and are consistent with a financial plan that will enable your offices to satisfy their multiyear financial commitments. We concur with your assessment that, based on current projections, your county office will be able to meet its financial obligations for the current and subsequent two fiscal years and that a positive certification is appropriate. We also concur with your assessment that, based on current projections, the school district may be unable to meet its financial obligations in the second subsequent fiscal year and that a qualified certification is appropriate.

Your projections show that the district's ability to meet its financial obligations for the current and two subsequent fiscal years is dependent upon approval by the State Allocation Board of the district's financial hardship application to fund 100% of the roof replacement project at the Loyalton High School facility. Absent that approval, the district will be responsible for approximately \$500,000 of project costs for which no discretionary resources are available. We therefore concur with the district's qualified certification.

We appreciate your efforts to maintain fiscal solvency and we ask that you continue to keep us informed of changes to the district's budgetary situation. As you are aware, the State Superintendent of Public Instruction (SSPI) is legally responsible to oversee the fiscal solvency of school districts for which the county board of education serves as the governing board, and the California Department of Education (CDE) may find it necessary to intervene in the district's fiscal condition at any time during the fiscal year as provided by *EC* Section 1630(b).

Stan Hardeman, Superintendent
February 27, 2013
Page 2

We remind you that as a result of the qualified certification for the current fiscal year, the following requirements are in effect:

Pursuant to *Government Code* Section 3540.2(e), your district must allow the SSPI at least 10 working days to review and comment on any proposed labor agreements and to render an opinion on whether the agreement would endanger the fiscal well-being of the district or county office.

Pursuant to *EC* Section 42133(b), your district may not issue, for the 2012–13 and 2013–14 fiscal years, certificates of participation, tax anticipation notes, revenue bonds, or any other debt instruments not requiring the approval of the voters of the district, unless the SSPI determines that repayment of that indebtedness is probable.

We appreciate the submission of your First Interim Reports and await your Second Interim Reports, which must be submitted to our office no later than March 18, 2013. If you have any questions or concerns, please contact our office by phone at 916-322-1770.

Sincerely,

Peggy O'Guin, Administrator

**Memorandum of Understanding
Between the College Board
And
Loyalton High School
Sierra-Plumas Joint Unified School District**

- I. **This Memorandum of Understanding (“MOU”)** is entered into on February 23, 2013 by the College Board, a New York Not-For-Profit corporation, and **Loyalton High School and Sierra-Plumas Joint Unified School District** (“District”). The purpose of this MOU is to outline the shared expectations, responsibilities, and commitments between the College Board and District with regard to establishing and supporting California AP[®] Expansion (CAPE) program.

This MOU supports a variety of activities which aim to support the implementation of successful AP courses and increase the number of students who demonstrate success in AP. District has designated the schools and AP teachers indicated in Attachment A to participate in this CAPE program (“Participating Schools”).

II. Background

The California Education Code was recently amended pursuant to Senate Bill 532 to require an annual review of AP course offerings to encourage California schools to offer at least five AP courses. To that end, the College Board with support from the California Department of Education and Senator Hernandez launched a pilot program to help bring Advanced Placement[®] (AP) courses into public schools that offer few AP courses but have students with strong potential to be successful in AP based upon PSAT/NMSQT^{®1} scores.

To assist participating schools establish new AP courses, the College Board will offer full-tuition scholarships for the new AP teachers to attend an AP[®] Summer Institute, and District schools will receive help from the College Board, DonorsChoose.org, and the Innovate Foundation in acquiring college text books and materials such as science lab equipment and graphing calculators.

III. Collaborative Objectives and Acknowledgements

District and the College Board will work together to achieve the stated objectives of this program to meet their specific school(s) circumstances. The goals and objectives shall address the following key areas:

- i. Increase teacher capacity to offer AP courses at the school. Provide professional development (PD) for teachers to enable them to successfully teach AP courses that are new to the school or expand sections of existing AP courses;

¹ PSAT/NMSQT is a registered trademark of the College Board and the National Merit Scholarship Corporation.

- ii. Establish processes for identifying students with strong potential to be successful in AP using AP Potential™ Reports generated from PSAT/NSQMT data and other data available at the school (e.g. GPA, prerequisite courses, etc.). Establish enrollment policies;
- iii. Support communications to create awareness of AP courses among students and to encourage enrollment;
- iv. Encourage students to strive for high AP achievement and to take advantage of opportunities for additional support that might be available at the school (e.g. tutoring, study sessions);
- v. Ensure low-income students are taking advantage of available federal funding for their AP exams; and
- vi. Engage in an evaluation of this pilot program to determine lessons learned and to shape the program for the future.

The College Board will evaluate the extent to which the goals and objectives are achieved following the implementation of the new AP courses.

IV. Term

- A. For schools that will begin new AP courses in Fall 2013, the term of this MOU will be January 1, 2013 – July 1, 2016. This covers time in 2013 for planning, teacher PD, and three years of offering the new AP courses. This will be followed by an evaluation using student and teacher data that will be made available to the College Board.
- B. For schools that will begin new AP courses in Fall 2014, the term of this MOU will be January 1, 2014 – July 1, 2017. This covers time in 2014 for planning, teacher PD, and three years of offering the new AP courses. This will be followed by an evaluation using student and teacher data that will be made available to the College Board.

V. Responsibilities of the Parties

A. College Board Responsibilities

1. To manage the program to ensure that each school is able to fully benefit. This may involve phasing financial support to enable the maximum number of schools to participate. To provide full-tuition funding for each teacher identified by the District as indicated in Attachment A to participate in this program to attend one College Board AP Summer Institute.
2. At no cost to District, Donorschoose.org will furnish textbooks and teaching materials for each new AP course established under the CAPE program during the first year the course will be offered. If Donorschoose.org is unable to furnish such materials during the first year, then the College Board will provide the financial support for textbooks and teaching materials to be purchased through Donorschoose.org. The College Board will work with Donorschoose.org to make

- this a simple and straightforward process with support for teachers along the way.

WHEREAS, the County of Sierra and the Sierra Plumas Joint Unified School District have in full force and effect, an existing Cooperative Use Agreement to facilitate the use by the County of State Park Bond Act funding for the Sierraville School Recreation Project, which agreement is dated May 2, 2006 and referenced as Sierra County Agreement 2006-103 (#060103), and amended by an agreement of the parties dated September 21, 2010, referenced as Sierra County Agreement 2010-127; and

WHEREAS, The Sierra Plumas Joint Unified School District has initiated a project to consolidate district staffing and will be relocating its District staff currently occupying the Sierraville School to Loyalton on or about July 1, 2013, with the result that the District will no longer be occupying or actively using any of the Sierraville School property. In recognition of the District's intent to remove its personnel from the Sierraville School property and its obligation to facilitate the County's use of said property in keeping with the County's expenditure of State Park Bond Act funds on said property, District has, except as otherwise provided for herein, offered to grant to County a right to use of the portions of Sierraville School property that were previously reserved to the District under the Cooperative Use Agreement (as referenced above). In consideration of the expanded right to use, County shall, except as otherwise provided for herein, assume responsibility for the costs of the utilities for the Sierraville School property.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions set forth herein, the parties agree to additional or amended provisions as follows:

2. Exhibits "A" and "B" of Sierra County Agreement 2006-103 (#060103) are replaced by exhibits "A" and "B" attached hereto and incorporated herein.

3. In consideration for the expanded grant of use to County by District, County agrees to assume responsibility for usual and customary cost of monthly water service, garbage service, and electricity provided to the School property; provided however, that District shall be responsible for cost of electricity provided to the modular building on the property if used by District or leased or rented out by District to any other entity or person. County agrees to coordinate with any tenant of the modular building that District may secure to allow reasonable access to the School building for the sole purpose of accessing restrooms and the kitchen located therein, which may take the form of a separate agreement between the County and any such tenant. The form of the agreement shall be solely the responsibility of the County.
4. Except for the modular building, County shall be responsible for the day to day maintenance of the School building which maintenance shall consist of and be limited to customary janitorial services.
5. Other than County's responsibility as set out in paragraph # 4, above, District shall remain responsible for the maintenance and all repairs to the building, including without limitation, maintenance and repairs to the heating system and other mechanical components and building systems and for any exterior painting that may become necessary. Necessary repairs shall be made by District in a timely fashion so as to facilitate County's ongoing use of the property.
6. Any structural modifications or other improvements proposed by the County to the School building shall receive prior approval of the District. This does not include the use of portable and/or modular dividers that do not involve any structural modifications to install.
7. County shall allow the District the use of the multi-purpose room (gym and stage area) including appurtenant use of the restrooms and kitchen, for school-related events that the District may want to conduct at the School building so long as such use is not in conflict with County's use of the facility. The District shall clean the areas used within the School building upon termination of the event. The District shall make every effort to provide some form of offsetting remuneration for its use of the school building.
8. All other terms of Sierra County Agreement 2006-103 (#060103) dated May 2, 2006 and Sierra County Agreement 2010-127 dated September 21, 2010 shall remain in full force and effect.

Other Comments

- Proposition 30 was passed by the voters. Revenue generated from Prop 30 will be called the Education Protection Account (EPA). Prop 30 revenue cannot be spent on “administration” and will be paid on a quarterly basis. The district will be using the revenue to pay for salary teachers.
- Forest Reserve revenue for fiscal year 2012-2013 is \$499,608. The Act expires this year and the coalition is working on bridge financing at the 2010 level. The Districts 2010 forest reserve revenue was \$702,718.
- Sequestration net effect estimate of 5.9% of federally funded programs.

- Multiyear projections are based on the current year funding model and include funds provided by the State for transportation.
- Nonprop 20 Lottery rate per ADA estimate is \$124.25 and Prop 20 is \$30.
- A positive cash flow is projected to be positive for fiscal year 2012-13 and 2013-2014, an ending cash balance of \$3,586,885 and \$2,449,493 respectively.
- Reserve requirement is met for all three years. However, due to the uncertainty of the cost to district, the District will self certify qualified.
- Negotiations for fiscal year 2013-2014 are not completed.
- Facility Hardship application to replace Loyalton High School roof was approved by Office of Public Schools Construction (OPSC) State Allocation Board (SAB) which secures 60% of the approved project cost. The Financial application will be voted on at the March 20, 2013, SAB meeting. The current projections assume OPSC will fund 100% of the approved project cost of \$1,081,532. Not all cost is covered under the grant. If the SAB does not approve the Financial Hardship application the district will need to fund the 40% plus unallowable expenditures.
- Health Care premiums expected to be 8% per medical plan, vision and dental plans to increase annual by \$24 & \$48, respectively.
- District administration staff will relocate to Loyalton in June 2013.

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 79,395.00
- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. _____
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 854,183.00

C. Percentage of Plant Services Costs Attributable to General Administration

- (Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 9.29%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. _____
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 12,958.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	<u>152,031.14</u>
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	<u>(1,193.21)</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (11.68%) times Part III, Line B18); zero if negative	<u>17,360.78</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (11.68%) times Part III, Line B18) or (the highest rate used to recover costs from any program (11.58%) times Part III, Line B18); zero if positive	<u>0.00</u>
D. Preliminary carry-forward adjustment (Line C1 or C2)	<u>17,360.78</u>
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>not applicable</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	<u>17,360.78</u>

Approved indirect cost rate: 11.68%
Highest rate used in any program: 11.58%

Deviations from the standards must be explained and may affect the interim certification.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Projected countywide other purpose average daily attendance (ADA) has not changed for any of the current fiscal year or two subsequent fiscal years by more than two percent since first interim projections. Projected ADA for county operated programs has not changed for any of the current fiscal year or two subsequent fiscal years by more than two percent since first interim projections.

County Office ADA Standard Percentage Range: -2.0% to +2.0%

1A. Calculating the County Office's ADA Variances

DATA ENTRY: First Interim data that exist will be extracted; otherwise enter data into the first column for all fiscal years. If Form MYPI exists, Other Purpose ADA will be extracted for the two subsequent years; otherwise enter this data. Second Interim Projected Year Totals data for Current Year are extracted; enter data for the remaining two subsequent years into the second column.

STANDARD: Identify changes that have occurred since first interim projections in the projected contributions for facilities maintenance funding as required pursuant to Education Code sections 17584 (Deferred Maintenance) and 17070.75 (Ongoing and Major Maintenance Account).

5A. Determining the County Office's Compliance with the Contribution Requirement for EC Section 17584 - Deferred Maintenance

NOTE: SBX3 4 (Chapter 12, Statutes of 2009), as amended by SB 70 (Chapter 7, Statutes of 2011), eliminates the local match requirement for Deferred Maintenance from 2008-09 through 2014-15. Therefore, this section has been inactivated for that period.

5B. Determining the County Office's Compliance with the Contribution Requirement for EC Section 17070.75 as modified by Section 17070.766 and amended by SB 70 (Chapter 7, Statutes of 2011), effective 2008-09 through 2014-15 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE: SB 70 (Chapter 7, Statutes of 2011) extends EC Section 17070.766 from 2008-09 through 2014-15. EC Section 17070.766 reduced the contributions required by EC Section 17070.75 from 3 percent to 1 percent. Therefore, the calculation in this section has been revised accordingly for that period.

6. CRITERION: Deficit Spending

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the county office's available reserves¹ as a percentage of total expenditures and other financing uses² in any of the current fiscal year or two subsequent fiscal years.

¹ Available reserves from the Juvenile Court/County Community Schools and Regional Occupational Centers/Programs may be included, up to the applicable percentage of program expenditures. Funds designated as reserves for this purpose continue to be restricted for use only in those programs.

Available reserves are the unrestricted amounts in the Reserve for Economic Uncertainties and the Unassigned/Unappropriated accounts in the County School Service Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the County School Service Fund.

² A county office of education that is the Administrative Unit (AU) of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The county office of education must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the California Department of Education (CDE) with an analysis of the cost of the settlement and its impact on the operating budget.

The CDE shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the governing board and the county superintendent of schools.
