Fiscal Year 2023–24

Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Pursuant to California *Education Code (EC)* Section 56048, adjustments to any year's apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct.

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

Special Education Local Plan Area Funding Distribution

D9. Describe the basic premise of the SELPA Allocation Plan.

We are a single district county. The SELPA program is operated entirely through the Sierra County Office of Education and not distributed directly to the district. Our SELPA program is funded with AB602 apportionment revenues with additional state programs specifically targeted for certain disabilities, i.e. mental health. We also have some funding through federal sources for specific age groups, disabilities, etc.

D10. Describe how the SELPA distributes IDEA revenues to the LEAs, including the models used to provide services to member LEAs:

We are a single district county and our SELPA program operates independent from the district. No revenues are passed through from the county SELPA to the LEA. Our revenues are calculated based on prior year P-2 ADA.
