E. INFORMATION/DISCUSSION ITEMS

1. Budget and Plan

BERARDI: Overview of FYSCP Budget and Plan as approved for the 2019-2020 school year.

2. Coordinating Services

BERARDI: Intent is to set up meetings with other departments/organizations, particularly Sierra County Health and Human Services, to identify areas of overlap where we can serve our Foster Youth students as best as we can. Looking to pull funds from different sources to hire someone who would have Foster Youth under the umbrella of their job which would be a better fit than where it is with our Administrative Assistant currently.

PILGRIM: Will send contact information for the new Foster & Homeless Youth Liaison in Plumas County as a resource and model for different areas of planning.

JACOBSEN: PCOE and SCOE looked at joining together as a consortium for the 2018-2021 grant cycle, but PCOE ultimately determined that they were able to apply for the grant cycle independently, so the consortium dissolved.

GONZALEZ: Looking forward to seeing a Foster Youth program developed to ensure students are getting the services they need. It will be beneficial to know who can/should take care of the different needs of Foster Youth students within the County.
