Loyalton Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Loyalton Elementary School is a small school with a big heart. Teachers and staff work hard to keep the small school atmosphere while providing academics and other programs comparable to larger schools. Our mission is to provide a primary education with a goal of all children achieving literacy. We provide children with the tools to encourage their total development, enhance their self-esteem, and realize their potential in a safe, secure environment.

Loyalton Elementary School is located near the communities of Sierraville, Calpine, Beckwourth, Chilcoot, and Vinton. The school is one of five in the Sierra-Plumas Joint Unified School District.

Soccer, baseball, volleyball and basketball are offered as extracurricular sports. Little League baseball occurs in the spring and AYSO soccer in the fall. Volleyball is a fall sport, and basketball is a winter sport. Basketball players take part in a four day basketball tournament at our site that is hosted by our sports club.

Back to School night happens shortly after school starts. Every year the students and staff work hard on a holiday show which is presented just before the Winter Break. In the spring, the Science Fair, Art Show, Taco Feed and Open House all occur on the same big night!

Loyalton Elementary School's Mission:

Our Mission is to Provide a Primary Education with a Goal of All Children Achieving Literacy. We Provide Children with the Tools to Encourage Their Total Development, Enhance Their Self-Esteem, and Realize Their Potential in a Safe, Secure Environment.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 12-19-17

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what is required by the California Content Standards.

School Facility Conditions and Planned Improvements (Most Recent Year)

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	39	36	44	44	50	50
Mathematics (grades 3-8 and 11)	40	40	35	37	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement is an integral part of the program at Loyalton Elementary School. Parent participation is encouraged on the following district level committees: LCAP Advisory Committee and the School Attendance Review Board. At the site level, parents participate in the School Site Council, the Grizzly Cubs Parents' Club, our local parent organization and our Sports Club which runs our sport's program (grades 3rd-6th).

Loyalton Elementary School has an open door policy. After a parent signs in at the office, he/she may volunteer to help in their child's classroom. If a parent wishes to volunteer on a regular basis, we ask that they have their fingerprints scanned and registered with the district and the Dept. of Justice. Parents regularly chaperone field trips at LES.

The contact person, if you would like information regarding parent involvement at Loyalton Elementary School, is Andrea N. White, Principal, at 530 993-4482 ext. 210.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

At Loyalton Elementary School our belief in student safety is supported by providing campus supervision before, during and immediately after school as students board the buses. Students begin arriving at the school site between 7:45 a.m. and 8 a.m. daily. There are four morning supervisors on our campus at 7:45 a.m. each day. Students have the choice to go outside (weather permitting) or they stay inside and have breakfast, once finished with breakfast students go outside. One supervisor stays with breakfast students and the other three supervisors go outside with students. There are five supervisors are on duty outside from 8:05 a.m. to 8:20 a.m. when school begins.

A thorough inspection on playground equipment every summer and at Winter Break by the school maintenance supervisor helps to reduce playground injuries. During the school year, a daily inspection is done by playground supervisors and turned into the office each morning.

In addition, visitors on our campus are required to sign in at the office for a visitors' pass.

The Leadership team of the Sierra-Plumas Joint Unified School District and the School Site Council review the School Safety Plan annually. Our Safety Plan is based on the National Emergency Management System and is reviewed by the Board of Education annually. The Plan is discussed with faculty and staff at inservice days before school starts. Our on site administrators are trained in ALICE for school safety in regards to a school intruder. The two administrators are now able to train staff at each site. ALICE is being implemented in the schools in case of a intruder on to the school sites. This year we created a Safety Task Force which involves all local agencies to go over safety at each school site with site administrators, and will allow more training for all staff members.

Safety drills are done throughout the school year; September-May. These drills are practiced monthly. The Safety Plan includes contingencies for fire, earthquake, stranger/intruder, pandemic flu or other illness.

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development.

Our school district has early release Wednesdays for staff to receive professional development from 1:45 to 3:15 every Wednesday. This year we are rotating our Wednesdays focusing on these areas; MTSS, Marzano, CAASPP testing/scorees, identified tier students and intervention placement, and specific site training. Our site has also focused on MTSS, Priority Standards, and Standards Analysis.
