## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Located in the eastern Sierra Nevada mountain region of the Sierra Valley, Loyalton High School is a small rural 7-12 grade school that provides a comprehensive educational experience for our students. Students at Loyalton High School can choose from a variety of courses, seated within college and career pathways, to help them meet academic and vocational interests as they move along their educational careers. These courses range from Advanced Placement Calculus to Agriculture Mechanics. Graduates of Loyalton High School have succeeded in rigorous university settings and graduated with marketable employment skills. Because of our small enrollment, students receive personalized attention and counseling to achieve their academic goals. The dedicated staff provides a wide array of co- and extra-curricular activities to enrich the lives of our students. Loyalton High School is also home to an award-winning agriculture program and Future Farmers of America (FFA) program celebrated as Outstanding Single Department for the 2021-2022 school year. We also ensure that all of our students are active members in their school community through their participation in athletics, clubs, peer conflict mediator and peer tutoring programs, and after-school music classes.

Loyalton High School's mission is to prepare all students to become lifelong learners and responsible citizens who are ready to meet the challenges of the future through our committed to high expectations and achievement for all students. In partnership with families and community, we encourage students to become knowledgeable, critical thinkers; effective communicators; and healthy individuals who exercise self-discipline and productive, positive citizenship.

The Loyalton High School Athletic Mission Statement: Loyalton High School athletics promote success in academics while emphasizing the positive aspects of health and fitness, commitment, teamwork, competition, and good sportsmanship for the overall good of the students, school, and community.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	13.2	100.0	27.9	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Williams legislation calls for a description of whether or not schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what is required by the California Content Standards.

## School Facility Conditions and Planned Improvements

To determine the condition of our facilities our district performs an annual inspection using the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

**Year and month of the most recent FIT report** November 2018

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X			
<b>Interior:</b> Interior Surfaces		X		Bleachers in the gym are showing considerable wear and damage to the closing mechanisms and there is damage to some of the planks. Repairs that have been completed are recalibrating the hardware to allow for correct operation and replacement of suspect planks. Additionally, a fresh coat of paint been applied. Bleacher's are considerably old.
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	X			
<b>Electrical</b>	X			
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	X			All hallway fountains were updated to hydration stations with both mouth-drinking fountain and water bottle filling.
<b>Safety:</b> Fire Safety, Hazardous Materials	X			
<b>Structural:</b> Structural Damage, Roofs		X		The Gym roof is in need of inspection and repair. Maintenance teams have patched and are monitoring problem areas. The roof needs to be a priority this year.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences			X	The external windows in the school are older single pane units with poor sealing ability and poor latching systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## 2020-21 Career Technical Education Programs

- Through the CTE Programs at LHS, students are able attend numerous activities that link education with career exploration and guidance. Through the activities associated with FFA competitions, meetings, and field days students interact with industry leaders and are able to visit many colleges. Students are provided with opportunities to explore the careers achievable after high school. The course advisor links course curriculum to current occupational realities, thus providing links to the current agricultural career landscape. Students are able to take advantage of multiple career assessments opportunities such as the ASVAB CEP program and I-CEV, (Online career and instructional courses) wherein students have the ability to obtain industry based certifications in the chosen course of study.
- Loyaltan High School provides a coherent pathway for students to obtain agricultural completer status through it's diverse Ag. program courses. The following courses are University of California A-G aligned, and lead to completer status and CTE certifications: Agriscience 1 and 2; Ag. Biology; Floriculture; Additional courses that are offered that lead to CTE certification and completer status are: Ag. Mechanics; Ag. Leadership; and Ag. Business; Animal Science; and Horticulture. The courses are offered by a highly qualified and credentialed advisor who ensures the Ag. program is operated by FFA and State Standards. The local CTE Agriculture plan is developed collaboratively with leadership and a local advisory panel comprised of industry experts. Every student has a Supervised Agricultural Work Experience whether in entrepreneurship or work placement. These projects are geared to the student's interests and promote the soft skills (work ethic, integrity, dependability). Additionally these projects are aligned to content standards within their stated goals. Additionally, Loyaltan High School's Ag. department students are able to tie in classroom learning with an on site "learning landscape area" which is located on school district property. The Ag. program assists in the management of the area as they study its animal and plant populations.
- Program effectiveness and curricular alignment to industry need are evaluated annually as a requirement for CTEIG and Perkins funding. The LHS Ag. Department meets quarterly with a local industry sector panel to stay current on industry trends and curricular alignment.
- Currently there is a start a fledgling CTE program in mechatronics. An application for funding through the California K12 Work Force Alliance was granted for three years and we are currently building the year-long curriculum and purchasing equipment for a launch next year. This pathway will lead students into our post high school educational community college partner, Sierra College, and students will complete its certificate program in electronics and computers/Industrial Automation.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents are valuable contributors to the Loyalton High School learning community. Our staff encourages and welcomes parental involvement. In August, LHS has an open-house style event called Grizzlies Day where parents and students meet teachers and visit class and activity booths to learn about the different academic and co/extracurricular opportunities available to them. This is a celebratory "kick-off" to the start of school. Parents are invited to participate in an annual four-year planning evening sessions where the academic progress of their child(ren) is discussed one-on-one with staff members.

Each year parents are selected to serve on the Loyalton High School Site Council. The Loyalton Booster Club and Loyalton Sports Club (middle school parents) membership is mostly comprised of parents who provide financial and physical support to school programs. Parents serve on Special Educational Advisory and English Language Learner parent panels. Additionally, parents serve on Agricultural and Wood Shop advisory panels. Parents are welcome to visit classrooms and are encouraged to participate in school activities. Parents are sought to serve on WASC Committees during accreditation visit years. Parents often serve as field trip chaperones and drivers to extra- and co-curricular activities. The school calendar of events and activities, along with the principal's weekly all-call information can be found at the school's website: [www.loyaltonhighschool.org](http://www.loyaltonhighschool.org). Weekly automated phone calls are sent out each Sunday night, advertising the weeks upcoming events. The daily bulletin is available online through PowerSchool: [spjUSD.powerschool.org/public](http://spjUSD.powerschool.org/public). Parents who do not have their current login information for Powerschool may contact the school office at (530) 993-4454.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	0.00		0.00		3.47	0.20
Expulsions	0.00		0.00		0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Loyalton High School staff and students enjoy a safe place to work and learn. Staff members remain vigilant during school breaks and before and after school each day. All visitors are asked to check in at the school office, and regular school volunteers are screened through the district screening process. The district School Safety Plan was revised and implemented in the fall of 2008 and reviewed annually since. Safety drills are performed; students are well aware of safety procedures during safety drills. District personnel are assigned to review health records and report to the staff the special health needs of students. Staff has been A.L.I.C.E. trained and will continue to be trained over the next 2 years.

School suspensions are extremely low and a positive school culture is supported. Loyalton High school uses restorative justice programs such as a peer-to-peer conflict transition/mediation program to foster positive peer interaction and student leadership. This program, called the LHS Peace ROARiors Program is guided by our PBIS practice of Responsibility and Openmindedness.

The Leadership team of the Sierra-Plumas Joint Unified School District and the School Site Council have completed an update of our district/schools Safety Plan. Our Safety Plan is based on the National Emergency Management System and is reviewed by the Board of Education annually. Community agencies were contributors to the plan.

## 2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## 2020-21 Types of Services Funded

According to the goals in our LCAP, budgeted funds were used to support students in the following programs and positions: District-wide intervention coordinator, Noon Lunch Supervisor, Intervention Aides, EIA/EL Aide to assist English Learners with core classes, Library Aide, FFA, athletics, and advanced placement and on-line classes. AP Exams are purchased for each student enrolled in AP coursework. In addition, funding was provided for the purchase of technology to assist in our educational goals. Smartboards or Chromeboxes are installed in classrooms and ChromeBooks were purchased on a 1 to 1 ratio. Funding is also provided for professional development to keep teachers and administrators up to date in methods and curriculum. Classroom furniture updates are currently underway.

With ESSER III funding, we have added additional counseling services from one half day to one and half days. Our school counselor meets with students once a week and as-needed. We have also funded carry cases to transport lunches to LHS during inclement weather. This has allowed our students access to reliable services for their social and emotional well-being. All classrooms have ventilations systems to mitigate for Covid and for smoke due to local fires that persist in the fall.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

For the 2020-2021 school year, SPJUSD has continued early release Wednesdays, which focus on professional development and MTSS activities. During the past few years, we have spent time at Professional Learning Communities (PLCs) and faculty meetings on school-wide literacy systems such as note taking strategies, writing across the curriculum, explicit goals and success criteria, and deep reading strategies. Additionally, teaching and learning have been enhanced by implementation of Marzano (Art and Science of Teaching and Learning) frameworks. Also, the staff has begun to narrow curricular focus to essential standards. This is also guided by the Marzano Laboratories. In addition, the district has promoted the use of technology by purchasing smart boards, computers, and other technology for classrooms and offering multiple in-service programs on their use and the development of classroom activities to support new standards. During a recent 1:1 initiative, all students of Loylton High School were provided with Google Chromebooks. Much professional development time this year has been designated toward the integration of this technology into the classrooms. The PLCs continue to encourage teacher collaboration for the improvement of subject area teaching, classroom management, and student learning and the development of systems to allow for continual improvement. Teacher meetings are held weekly every Tuesday afternoon. More and more we are including teaching strategies, plans for intervention, and school planning into these meetings. Student data is the beginning point of all planning each school year. In addition to test scores, the staff looks at grades and attendance data to plan for the success of each student in meeting individual goals. This data drives the direction the school takes in professional development, support services, and school goals for each year. School funds have been available for staff to attend a variety of subject specific or general professional development programs during the school year and summers. There is a provision in the certificated contract to pay stipends to teachers for attending in-service programs during holidays or school vacations. Release time is provided for programs offered during the school year. Administration makes every effort to encourage and support professional development.

Professional development time was granted during the summer to train on the platforms and strategies needed in order to have successful digital outcomes. Additionally, all teachers received a day-long training during our in-service days in August on trauma-informed instruction and practices. This year, our district transitioned to using the online platform "Beyond SST" to record and create a strong accountability system for all teachers when implementing accommodations and collective strategies for our students in need of SSTs and 504 plans. All teachers have been trained in this system.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
