School Accountability Report Card

Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

To determine the condition of our facilities, our district performs an annual inspection using the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our building as of the date of the report. Since that time, those conditions may have changed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Career Technical Education Programs (School Year 2013-14)

Being a continuation school, Sierra Pass has limited time that the students attend class. They are required to spend 15 hours a week at school. This leaves little time to take classes related to career technical education. Our teacher does spend time with them on assisting students with resume writing, filling out applications, and doing career research. We are also limited on facilities that can provide CTE classes. Sierra Pass students do participate in a horticulture class as an elective.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents are encouraged and welcome to visit their child's classroom at any time during the school day. Meetings with parents happen as soon as a student appears to be falling behind their scheduled course of study for graduation. Students and parents are encouraged to participate in annual 4-year planning sessions that are held each spring before the start of the next school year. These sessions are an opportunity to review their students' progress toward graduation and determine their next year's classes. At the beginning of each school year, the parents and students are provided with their log-in information for PowerSchool access. This gives them the opportunity to monitor completion and grades of assignments for each class.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14

Expulsions	0	0	0	0	0	0	.1	.1	.1

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

School Safety Plan (Most Recent Year)

Sierra Pass Continuation High School staff and students enjoy a safe place to work and learn. Staff members remain vigilant during school breaks and before and after school each day. All visitors are asked to check in at the district office, and regular school volunteers are screened through the district screening process. The district School Safety Plan was revised and implemented in the fall of 2008 and reviewed annually since. Monthly safety drills are performed; students are well aware of safety procedures during safety drills. District personnel are assigned to review health records and report to the staff the special health needs of students. The Leadership team of the Sierra-Plumas Joint Unified School District has completed an update of our district/schools Safety Plan. Our Safety Plan is based on the National Emergency Management System and is reviewed by the Board of Education annually.

Professional Development

Sierra Pass Continuation High School has one certificated teacher. She seeks out professional development in all areas of curriculum and behavior. School funds are available for staff to attend a variety of subject specific or general professional development programs during the school year and summers. There is a provision in the certificated contract to pay stipends to teachers for attending in-service programs during school holidays or school vacations. Release time is provided for programs offered during the school year. Administration makes every effort to encourage and support professional development.
