# Loyalton Elementary School School Accountability Report Card Reported Using Data from the 2014-15 School Year <br> Published During 2015-16 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (Most Recent Year)

Loyalton Elementary School is a small school with a big heart. Teachers and staff work hard to keep the small school atmosphere while providing academics and other programs comparable to larger schools. Our mission is to provide a primary education with a goal of all children achieving literacy. We provide children with the tools to encourage their total development, enhance their selfesteem, and realize their potential in a safe, secure environment. Loyalton Elementary received a API score of 864 for 2012-2014. A field test was performed per the State of California for 2013-14.

Loyalton Elementary School is located near the communities of Sierraville, Calpine, Beckwourth, Chilcoot, and Vinton. The school is one of five in the Sierra-Plumas Joint Unified School District.

Soccer, baseball, volleyball and basketball are offered as extracurricular sports. Little League baseball occurs in the spring and AYSO soccer in the fall. Volleyball is a fall sport, and basketball is a winter sport. Basketball players take part in a four day basketball tournament at our site that is hosted by our sports club.

Back to School night happens shortly after school starts. Every year the students and staff work hard on a holiday show which is presented just before the Winter Break. In the spring, the Science Fair, Art Show, Taco Feed and Open House all occur on the same big night!

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

| Low-Poverty Schools in District | 79.3 | 20.7 |  |

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program.
Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: 12/02/2008.

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what is required by the California Content Standards.

## School Facility Conditions and Planned Improvements (Most Recent Year)

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Opportunities for Parental Involvement (Most Recent Year)

Parent involvement is an integral part of the program at Loyalton Elementary School. Parent participation is encouraged on the following district level committees: LCAP Advisory Committee and the School Attendance Review Board. At the site level, parents participate in the School Site Council, the Grizzly Cubs Parents' Club, our local parent organization and our Sports Club which runs our sport's program (grades 3rd-6th).

Loyalton Elementary School has an open door policy. After a parent signs in at the office, he/she may volunteer to help in their child's classroom. If a parent wishes to volunteer on a regular basis, we ask that they have their fingerprints scanned and registered with the district and the Dept. of Justice. Parents regularly chaperone field trips at LES.

The contact person, if you would like information regarding parent involvement at Loyalton Elementary School, is Andrea N. White, Principal, at 530 993-4482 ext. *11.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan (Most Recent Year)

At Loyalton Elementary School our belief in student safety is supported by providing campus supervision before, during and immediately after school as students board the buses. Students begin arriving at the school site between 7:45 a.m. and 8 a.m. daily. A morning supervisor is on campus at 7:45 a.m. each day. That person supervises students who have just arrived or are eating breakfast. At 8:05 a.m. each day students are released to go outside (weather permitting). Three supervisors are on duty from 8:05 a.m. to 8:20 a.m. when school begins.

Also, a thorough inspection on playground equipment every summer and at Winter Break by the school maintenance supervisor helps to reduce playground injuries. During the school year, periodic inspection is done by playground supervisors and the principal.

In addition, we insist that visitors to the campus are required to sign in at the office for a visitor pass.

The Leadership team of the Sierra-Plumas Joint Unified School District and the School Site Council review the School Safety Plan annually. Our Safety Plan is based on the National Emergency Management System and is reviewed by the Board of Education annually. The Plan is discussed with faculty and staff at inservice days before school starts.

Safety drills are done throughout the month of September and includes a week-long safety training for all staff and students. These drills continue to be practiced monthly. The Safety Plan includes contingencies for fire, earthquake, stranger/intruder, pandemic flu or other illness.

## Professional Development (Most Recent Three Years)

[^2]
[^0]:     accuracy or to protect student privacy.
     calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

[^1]:    Note: Number of classes indicates how many classes fall into each size category (a range of total students per class).

[^2]:    Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development. Averaging once a month throughout the school year, teachers had scheduled PLCs in the afternoon. During these PLC times teachers focus on core curriculum, behavior management, and technology instruction.
