Team One Networking is submitting a quote to three schools (LES, LHS, DVL) in the Sierra County for new VoIP UC voice systems. This includes the articulvent voice system with one year of maintenance (renewable each year if no interruption in coverage) installation of phone system, phones and inside speakers (1-10 feet high) is included with admin training and optional staff phone training. The Yealink phones carry a <u>2 year manufacturers warranty</u> . The Algo speakers carry a <u>1 year manufacturers warranty</u> . Team one will facilitate the return of any defective phone or speaker w/in the warranty – shipping will be billed to customer. Team One will work with your schools admin offices to design and program the phones. Adds moves and changes will be done at no charge for the first 30 days after installation – after this period, all service calls will be billed on an hourly basis of \$165.00/hour. Team One is not responsible for wiring Cat5 to any location a phone or speaker is required. Each phone comes with a 5ft patch cable. TERMS: 40% due at order placement. Remainder - net 30 days. Quote valid until May 9,2023 - June 30, 2023				Sub Total		\$74,911.00	
				Tax (7.25)	7.25%	\$4,680.96	
				Shipping		\$0.00	
				TOTAL		\$79,591.96
