School Accountability Report Card

Reported Using Data from the 2012-13 School Year

Published During 2013-14

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012–13 Academic Performance Index Reports Information Guide located on the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

School Description and Mission Statement (School Year 2012-13)

This section provides information about the school, its programs and its goals.

Loyalton Elementary School is a small school with a big heart. Teachers and staff work hard to keep the small school atmosphere while providing academics and other programs comparable to larger schools. Our mission is to provide a primary education with a goal of all children achieving literacy. We provide children with the tools to encourage their total development, enhance their self-esteem, and realize their potential in a safe, secure environment. Loyalton Elementary received a API score of 864.

Loyalton Elementary School is located near the communities of Sierraville, Beckwourth, Chilcoot, and Vinton. The school is one of four in the Sierra-Plumas Joint Unified School District.

Soccer, volleyball and basketball are offered as extracurricular sports. Little League baseball occurs in the spring and AYSO soccer in the fall. Every year the students and staff work hard on a holiday show which is presented just before the Winter Break.

Back to School night happens shortly after school starts. In the spring, the Science Fair, Art Show, Taco Feed and Open House all occur on the same big night!

Opportunities for Parental Involvement (School Year 2012-13)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Parent involvement is an integral part of the program at Loyalton Elementary School. Parent participation is encouraged on the following district level committees: District Advisory Committee and the School Attendance Review Board. At the site level, parents participate in the School Site Council and the Grizzly Cubs Parents' Club, our local parent organization.

Loyalton Elementary School has an open door policy. After a parent signs in at the office, he/she may volunteer to help in their child's classroom. If a parent wishes to volunteer on a regular basis, we ask that they have their fingerprints scanned and registered with the district and the Dept. of Justice. Parents regularly chaperone field trips at LES.

The contact person, if you would like information regarding parent involvement at Loyalton Elementary School, is Derek Cooper, Principal at 530 993-4482.

III. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

IV. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

School Safety Plan (School Year 2012-13)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

At Loyalton Elementary School, student safety is ensured by a thorough inspection on playground equipment every summer and at Winter Break by the school maintenance supervisor. During the school year, periodic inspection is done by playground supervisors and the principal.

Students begin arriving at the school site between 7:45 a.m. and 8 a.m. daily. A morning supervisor is on campus at 7:45 a.m. each day. That person supervises students who have just arrived or are eating breakfast. At 8:05 a.m. each day students are released to go outside (weather permitting). Two supervisors are on duty from 8:05 a.m. to 8:20 a.m. when school begins.

Visitors to the campus are required to sign in at the office and get a visitor pass.

Our School and District Safety Plans have recently undergone major revisions. District and administrative staff worked diligently, over the summer, to coordinate the plans with County, and State Safety officials. The resulting plan was reviewed and discussed with faculty and staff at inservice days before school started. Safety drills were done throughout the month of September and continue to be practiced monthly. The Safety Plan includes contingencies for fire, earthquake, stranger/intruder, pandemic flu or other illness.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development.
